**COMMENTS:** **ABANDONMENT (0901) ORDINANCE NO. 2001.15** Hold a public hearing the abandonment of a public utility easement, located within the South Half of Section 9, Township 1 North, Range 4 East (future stadium site), and declare the existence of an emergency. The easement abandonment will allow the portion of the Grand Canal in conflict with the stadium site to be relocated.

**Document Name:** (20010510PWDR08) Supporting Documents: Yes

**SUMMARY:** The public utility easement abandonment is an emergency due to the constraints of the stadium construction schedule. In order for the project to remain on schedule, a portion of the Grand Canal will need to be relocated. For the canal to be relocated, any title encumbrances must be removed from the new subject area. The Bureau of Reclamation has made a verbal commitment to SRP to expedite the USA fee land exchange process, provided the City abandons the public utility easement encumbrance immediately. The easement was recorded in Instrument 90-372323, Maricopa County Records. Staff supports this abandonment.

**RECOMMENDATION:**

That the City Council adopt Ordinance No. 2001.15 declaring the existence of an emergency so that the Ordinance will become effective immediately, and authorize the Mayor to execute any necessary documents.
